Auftretende Farbabweichungen zu den hier dargestellten Farbmustern ergeben sich aus richtungsspezifischen Besonderheiten und sind Ausdruck der naturbelassenen ledertypischen Oberflächenoptik. Auf Wunsch erhalten Sie Original-Ledermuster mit den hier dargestellten Farben.

Actual colours may differ from the colour samples due to the nature of the leather finishing process and the fact that leather is an inherently variable natural product. Original leather samples in the colours displayed here are available upon request.
